CINEMA FAKENHAM

A small but friendly local cinema to Fakenham which offers all the summer blockbusters and the odd independent. This is not a multiplex experience but does have three screens and offers a variety of family and kids favourites to more mainstream suspense thrillers.

The seating is comfy and snacks are reasonably price as are the tickets too. Book in advance or turn up and buy tickets on the door to escape a rainy afternoon or make an evening of it and enjoy!

SWIMMING AT HUNSTANTON & SHERINGHAM

Both Sheringham and Hunstanton have large indoor pools with slides for wet and wild family fun. Sheringham along with its size has the added draw of a wave machine which activates every 20mins or so, for that feel of the sea without the sand.

Both have toddler pools for little sea urchins and also soft play areas too.

Visits are usually timed sessions during peak months and we certainly suggest getting in early and probably mid week to avoid the busier weekends.
